**REFRESHER**  
**TRAINING AND/OR/TESTING**  
**PROGRAMS**

LAST REVISION DATE: MARCH 09, 2016

*It is very important anyone choosing Refresher Training understand they will not be issued a diploma from **IITR** nor will they be eligible for job placement assistance from **IITR**. All trucking companies we work with require attendance and graduation from our full program to become employed as an entry level Class A driver per insurance requirements.*

**BEFORE ANY TRAINING/TESTING CAN BE DONE IN AN **IITR** VEHICLE, YOU ARE FIRST REQUIRED TO DO THE FOLLOWING:**

**STEP 1:** Take and pass a D.O.T. Physical, obtain a Medical Card, take a Drug Screen and provide us with **NEGATIVE RESULTS**: The drug screen must be done at a clinic designated by **IITR** (call us for a listing of our approved clinics). The physical will cost between \$45.00 and \$100.00 depending upon the clinic in your area and the drug screen will cost between \$45.00 and \$100.00 depending upon the clinic in your area.

**STEP 2:** Go to DMV and obtain a CDL Permit: To obtain a CDL Permit, you are required to go to your State DMV, show your D.O.T. Medical Card and birth certificate or passport and take and pass the General Knowledge written exam and take and pass all necessary CDL Written Endorsement exams: You will need at a minimum to take and pass Airbrakes. If you're getting a Class A CDL, you will also need to take and pass Combination Vehicles. Optional endorsements are Passenger Bus, Doubles/Triples, Tanker-Trailer and HazMat. Contact the DMV for the amount they charge for the endorsements you need.

**BEING LEGAL TO DRIVE COMMERCIALLY REQUIRES NOT ONLY A CDL BUT MEETING THE FOLLOWING FEDERAL REGULATIONS:**

**REGULATION #380.503: IF YOU ARE OBTAINING A CDL FOR THE FIRST TIME, YOU ARE REQUIRED BY LAW TO MEET FEDERAL MOTOR CARRIER SAFETY REGULATIONS # 380.503. WITHOUT DOING SO, YOU ARE NOT LEGAL TO OPERATE A COMMERCIAL VEHICLE EVEN THOUGH YOU HAVE A CDL. ASK US FOR DETAILS OR READ THE REGULATION AT: [WWW.FMCSA.DOT.GOV](http://WWW.FMCSA.DOT.GOV). CLICK ON RULES AND REGULATIONS, TYPE IN **380.503** TO READ ABOUT THE REQUIRED TRAINING**

**THIS REGULATION IS ENFORCED BY BOTH FEDERAL AND STATE REGULATORS AND ACCORDING TO THE DEPARTMENT OF TRANSPORTATION (DOT), IT IS A VERY COMMON VIOLATION THEY DISCOVER DURING AUDITS OF TRUCKING COMPANY DRIVER FILES**

IF YOU WOULD LIKE TO TAKE THIS TRAINING AT **IITR**, WE OFFER IT EVERY 4<sup>TH</sup> WEDNESDAY. IT IS IN A CLASSROOM SETTING, TAKES APPROXIMATELY 9 HOURS AT A COST OF \$300, AND YOU WILL RECEIVE A GRADED DOCUMENT AS PROOF FOR YOUR DRIVER FILE.  
**ASK US FOR A CLASS SCHEDULE IF YOU ARE INTERESTED.**
